## EDUCATION

### Bachelor of Veterinary Medicine

University of Buenos Aires (UBA)

02/1999 - 12/2004

Buenos Aires, Argentina

#### Courses

- Accomplished five years of coursework without finishing the degree by personal choice.

### Bachelor with a specialization in Accounting

No 714, Julio Cortazar

04/1992 - 12/1996

Trelew, Argentina

## WORK EXPERIENCE

### Yoga Studio Owner

Harmony Yoga Institut

04/2014 - 04/2023

Prague, Czequia

#### Achievements/Tasks

- Working as a Yoga Teacher in Argentina, I established my own studio. In 2018, I moved my project to the Czech Republic, managing all aspects of the business—from marketing strategies to creating workshop materials, including videos and presentations. This venture not only improved my teaching skills but also enhanced my abilities in business management, marketing, and content creation.

### Administrative Employee - Commercial Area

Movistar Telefonica Argentina

01/2010 - 04/2014

Buenos Aires, Argentina

Telecommunications company

#### Achievements/Tasks

- Transitioning to an Administrative role, I refined organizational and multitasking skills. Managing diverse business operations, I merged customer service experience with administrative tasks. Notably, I addressed billing issues for large enterprises, enhancing technical proficiency, attention to detail, and communication skills.

### Customer Service Representative

Movistar Telefonica Argentina

01/2008 - 01/2010

Buenos Aires, Argentina

#### Achievements/Tasks

- In my first two years with the company, I succeeded as a Customer Service Representative, resolving issues directly with customers. My responsibilities included managing and troubleshooting problems on the Movics and Siscel operating systems, which emerged from the merger of two telecommunications companies.

### Help Line Representative | Siniestros Department

HSBC La Buenos Aires Seguros

12/2006 - 12/2008

Buenos Aires, Argentina

Insurance company

#### Achievements/Tasks

- As the frontline responder for insurance claims at HSBC La Buenos Aires Seguros, I specialized in quickly and effectively navigating systems and policies. I played a crucial role in providing immediate assistance during insurance-related emergencies, often coordinating external support for policyholders.
